

### CAR POOL ROSTER

Fill in the names of the car pool drivers and list the students in your car pool under the days they will be picked up. **ALL** parents whose children are in a car pool **MUST** sign the form. **ONLY** one form per car pool needs to be turned in to the school office. Please make sure this form is completely filled out (names of students and parent signatures). If you add or delete a family from your car pool, please contact the school office and fill out a new form.

This form is not authorization for a relative, friend or anyone else to pick up your child **on an occasional basis**. Please inform the school office **in writing** if someone other than yourself or regular car pool is picking up your child.
