

Dear Third Grade Parents,

We are sending home assignments we believe will be useful to your child as well as appropriate to complete at home. If you have any questions please reach out to us as always!

Mrs. Sladek & Mrs. Perkins

Subject	Assignments
Bible	Spend time reading with your family in Ecclesiastes or Proverbs.
History & Grammar	Finish, edit & revise (with adult help) your Living History paper, make a final copy in neat, cursive handwriting (parents remind them about margins) and begin memorizing for our Ancient History museum in late April. Some guidance for writing the paragraphs: #1st Who the person is. #2nd Why the person is famous or important or what their purpose is in history. #3rd An interesting story that may show the person in action. <u>Send the final copy back after break.</u>
Literature	Choose a chapter book, read it (not one you have previously read) and write three paragraphs summarizing the book: Beginning, Middle, End. Summarizing means identifying important information and leaving out those that are not! <u>Send the report back after break.</u>
Math	Complete the worksheets in this packet and practice facts! I am including a login to an XtraMath.com account for your child, if you are a family that has access to a computer please consider this site. It is not game based and has no frills but it does report the results to us in our teacher account! <u>Send the worksheets back after break.</u>
Spelling	Use the attached spelling list to study and practice the words, complete the spelling word word search, give your child a spelling test, grade it and have them write the words they missed 3 times each. <u>Send the graded copy back to school after break.</u>
Science	Read the attached chapters. If possible look at NASA videos online that show the International Space Station! <u>Make a bulleted list of at least 2 interesting fact you learned from each chapter and return after break.</u>
Latin	Use the included study sheet to continue studying for the next unit test and complete the activity included, <u>return activity sheet to school after break.</u>
Art & Music	See packets
