

Appeal for Tuition Assistance

Note: Please return to WCA Business Office – Attn: Brian Reid (breid@westsideacademy.org)

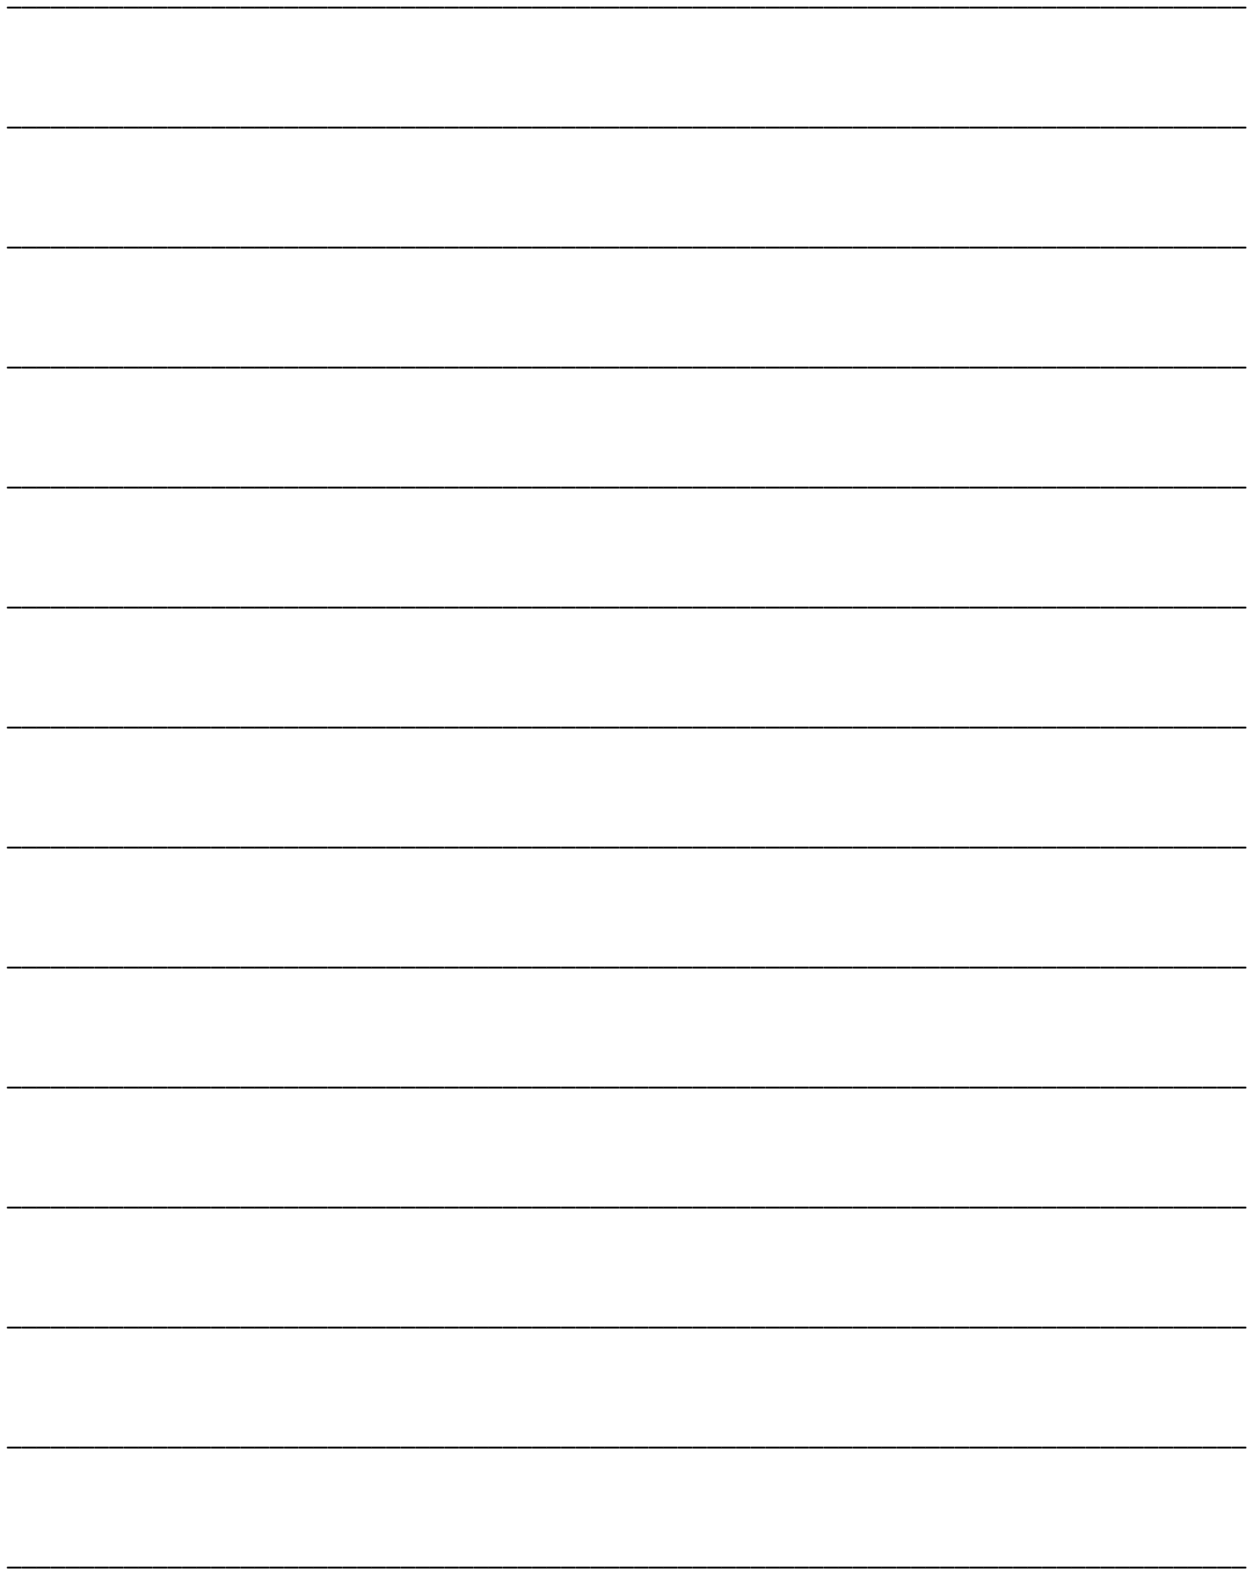

Westside Christian Academy (WCA) seeks to aid children in their spiritual and academic development in order to be equipped to fulfill God's purpose for their lives in the home, church, and society. WCA, as an extension of the home and of the church, exists to fulfill God's commands to raise children "in the nurture and admonition of the Lord." While we believe that the Bible clearly gives the responsibility of training children to parents, WCA is here to assist parents in fulfilling this biblical responsibility.

We utilize FACTS to help us gather necessary information in order to assist in determining a family's ability to contribute toward tuition. FACTS does not determine the amount of aid awarded, rather, award decisions are made by our Financial Aid Committee based on the FACTS application and any special circumstances.

Please use the following below to outline any special circumstances that you feel WCA should be aware of as part of determining your family's ability to contribute toward tuition.
