# What is WCA's PORTRAIT OF A GRADUATE?

Our mission is to integrate biblical truth with academic excellence so that our students will become leaders committed to impacting the world for Jesus Christ.

With this as our primary objective, WCA seeks to cultivate students...

- Who are growing Christians, equipped to receive and proclaim the Truth of the Gospel, and who genuinely love God and others.
- Who are virtuous servant-leaders, equipped to eloquently proclaim Truth and graciously communicate a biblical perspective to the cultural issues of their day.
- Who are educated, disciplined, logical, discerning, loving, and mature lifelong-learners who contribute to the Great Conversation. They listen intently, reason wisely, write skillfully, and speak persuasively.
- Who are prepared to build a redemptive community, especially in family life, church membership, and citizenship.
- Whose affections are rightly oriented towards that which is true, beautiful, and good, with hearts which desire Christ-centered living.

This "portrait" is a general picture of the qualities we strive to instill. When someone asks, "What is your hoped-for outcome by the time a student graduates?" This is the essence of our answer. Much could be written and discussed to unpack each of these statements under the umbrella of our mission.
